## Unlock Your Creative Vision.

# EOS 6D **NEW!**

The EOS 6D DSLR camera is the ideal tool for unlocking your creative vision. It features a **20.2 Megapixel Full-Frame CMOS sensor**, a wide ISO range of **100–25600**, expandable to **L: 50, H1: 51200, and H2: 102400**, for incredible image quality even in low light, and a **DiGiC 5+ Image Processor** delivers enhanced noise reduction and exceptional processing speed. A new **11-point AF system including a high-precision center cross-type AF point with EV -3 sensitivity** allows focusing in extreme low-light conditions, and with continuous shooting up to **4.5 fps**, you are ready to capture fast action. **Full HD video** with manual exposure control, multiple frame rates, and the benefits of a Full-Frame sensor provides stunning performance and creative flexibility. The **built-in Wi-Fi® transmitter** allows you to wirelessly transfer your images to social networking sites through **CANON IMAGE GATEWAY†**, or upload virtually anywhere from your iOS or Android smartphone\* with the free download of the **EOS Remote app\*\***. You can use your smartphone for remote camera control and operation (with the EOS Remote app), or even print your images on a **Wi-Fi® compatible printer^**. Perfect for travel and nature photography, the **built-in GPS††** allows location data to be recorded while shooting. Compact, lightweight, brilliant low-light performance, and loaded with easy-to-use features, the EOS 6D is truly the Full-Frame DSLR camera for everyone.
